Thank you for your interest in joining the King County Chapter of NARPM®. We are dedicated professionals that promote our industry by taking action. Our Mission is to establish a permanent professional association in the residential property management industry in the King County area, promote a standard of business ethics, professionalism and fair practice among its members, establish and promote education and exchange of ideas for its members, and create awareness of legislative bills, and local government regulations.

Our chapter consists of approximately 70 property manager members. We meet the fourth Tuesday of each month at the Best Western Executive Inn (200 Taylor Ave N in Seattle). Check out our website at <http://www.kingcounty.narpm.org> or feel free to contact me with any additional questions.

I look forward to meeting you!
